

Lorain Police Safety Town 2018

Safety Town is located at
Lorain High School, 2600 Ashland Ave.

In conjunction with the Lorain Police Department and the Lorain City Schools, Safety Town will be open for **all** children living in the City of Lorain entering kindergarten in the fall of 2018.

Our Safety Town program is a one-week course that is designed to teach your child safe practices both at school and at home. The children are instructed on when, where, and how to cross the street, school bus safety, seat belt safety, fire safety, poison control and how to handle strangers.

Safety Town is conducted **Monday thru Thursday from 9:00 AM to 11:30 AM**. Safety Town sessions are scheduled for the weeks of **June 18th, June 25th, July 9th, and July 16th**.

The registration form should be completed and returned to our Safety Town Coordinator, Robin Smith, as soon as possible. The classes are filled on a first come first serve basis beginning with the Lorain City Schools registration. Please fill out the attached form and mail to Ms. Robin Smith at 505 Allison Avenue, Lorain, Ohio 44052.

You will be contacted by e-mail or telephone by Robin prior to the start of Safety Town as to the date your child is to attend. Please check your e-mail. On your registration form, please select what week that you would prefer your child to attend. Please also select a second choice so that if your first choice is filled we can place your child in the second/next available opening. Robin will only contact those parents who submit a registration form with a valid and working telephone number or valid email address. If you do not have a telephone number, we will need a telephone number of a person who we can make contact with so that this information can be given to you.

Class sizes are limited. Again, this will be on a first come, first serve basis.

The Lorain Police Safety Town program is free of charge to all who attend. Additionally, for security purposes, only instructors and children will be allowed in the Safety Town classroom and course during the instruction periods.

If you have any questions, please feel free to contact me at Kyle_Gelenius@cityoflorain.org or (440) 204-2115.
