### LEAF COLLECTION TO BEGIN IN LORAIN

**LORAIN, OH:** Citywide leaf collection will begin on Monday, November 4, 2019. On Friday afternoons during collection season, residents can view the neighborhoods to be targeted for leaf collection the following week on the city's website at [www.cityoflorain.org](http://www.cityoflorain.org). Weather conditions will affect collection efforts throughout the season but updates will be provided on the city's website.

Residents requiring leaf collection prior to the start of citywide collection date are asked to call the ***new leaf collection hotline at 440-204-2065***. Please make sure to speak clearly when leaving your name and address on the recorded leaf collection hotline.

Leaves are not to be placed in the street, and for safety reasons, children should not be allowed to play in the leaves placed at the curb. Also, vehicles parked near leaf piles, and/or leaf piles with branches and other debris may result in leaves not being collected.

Residents are encouraged to use the new leaf collection hotline to notify the city of their collection need, as the city continues to work to streamline collection efforts. Please contact the Public Property Department at 440.244-4294 for additional information.
