CITY OF LORAIN INCOME TAX INSTRUCTIONS

WHO MUST FILE:

Every Resident, full or partial year, 18 years of age and older, must file a tax return, whether or not taxes are due. If you have no income or your **ONLY** source of income is retirement income (ie, SSI, pensions, interest, dividends, IRA and 401K distributions), complete the exemption certificate on page 2 of the return.

Every Business Entity, whether a resident or non-resident, who conducts a business in Lorain must file a return and pay any tax on that profit. If you have a net loss you are still required to file a return. ("Business" includes rental income.)

Non-Resident Individuals, earning income in Lorain not subject to the withholding of Lorain income tax must also file a return.

UNDER 18: If a person is under 18, was employed in the city of Lorain and had Lorain taxes withheld, send in W-2(s) with a copy of driver's license or birth certificate and a refund will be issued.

FILING STATUS: Taxpayers who prepare their federal and state tax returns using the "married filing separate" status to lower their overall tax liability may still file a joint return for the city of Lorain. Filing a joint return will neither increase nor decrease your City of Lorain tax liability. Husband and wife may file joint returns, in which case both must sign the return and submit their social security numbers.

WHEN TO FILE: Taxpayers who end their taxable year on December 31 must file on or before the IRS due date. Taxpayers on a fiscal year must file on or before the 15th day of the fourth month after the close of that fiscal year or other period.

EXTENSIONS: Extension requests must be postmarked by the IRS due date or be subject to penalties and interest. Requests should be mailed to the Lorain tax office, e-mailed to incometax@cityoflorain.org, or faxed to (440) 204-1006. If you have received a Federal extension it will be honored if attached to the tax return and postmarked by the extended IRS due date. **An extension request is not an extension of time to pay.**

PARTIAL YEAR RESIDENTS: If you only lived in Lorain during part of the year you must file a tax return covering that time. Report the amount of income you earned while you lived in Lorain. Pay statements with year-to-date figures or a statement from your payroll department must be used if available. When the actual amount you earned while living in Lorain cannot be determined, you may break down your earnings by the number of months employed at the job arriving at a monthly earnings

figure. Use the monthly earnings figure multiplied by the number of months of residency to find your taxable amount. If you pro-rate your income you must also pro-rate your city tax that was withheld on the same income. **Attach a worksheet explaining your calculations.**

DECLARATION OF ESTIMATED TAX: Taxpayers who expect to receive taxable income for the coming year must declare estimated tax payments (22.5% of full amount may be paid at the time of filing the annual return). The estimated tax payment due dates are June 15th, September 15th, and January 15th. This declaration is mandatory when \$200.00 or more is owed.

LATE FILING PENALTY: Except in those cases where an extension was filed, a late filing penalty of \$25.00 per month, not to exceed \$150.00, shall be due on returns filed after the due date, even when no tax is due.

LATE PAYMENT PENALTY: A penalty will be charged on unpaid tax equal to fifteen percent (15%) of the amount not timely paid.

INTEREST: The interest rate used shall be the Federal short-term rate (rounded to the nearest whole number percent) plus five percent (5%). The rate shall apply for the calendar year next, following July of the year in which the Federal short-term rate is determined.

NET OPERATING LOSSES: The net loss from an unincorporated business activity may not be used to offset salaries, wages, commissions or other compensation. Operating losses may be carried forward for a maximum period of five years, and may be used to reduce taxable income. 100% of Pre-2017 losses may be used; however, Post 2017 losses can only be utilized at 50%. **An NOL schedule must accompany this return.**

AMENDED RETURNS: Amended returns are accepted by completing an income tax return with the words "Amended Return" printed across the top and indicating the year being amended. The amended return is required within three (3) months of the final determination of any changed tax liability resulting from the Federal audit, Judicial decision, or other circumstances.

TAXABLE INCOME: Lorain income tax is levied at the rate of 2.5%. Income taxable to the city is listed below. While this list is not comprehensive, it encompasses most of the taxable situations. In addition to the listing, the net profits of all unincorporated businesses, professions, rentals or other activities conducted by residents and non-residents of the city of Lorain are taxable.
