# LORAIN POLICE SAFETY TOWN

Safety Town is located at Southview High School on the southeast corner of East 42<sup>nd</sup> Street and Grove Avenue.

In conjunction with the Lorain Department and the Lorain City Schools, Safety Town will be open for all children living in the City of Lorain entering kindergarten in the fall of 2009.

Our Safety Town program is a one-week course that is designed to teach your child safe practices both at school and at home. The children are instructed on when, where, and how to cross the street, school bus safety, seat belt safety, fire safety, poison control and how to handle strangers.

Safety Town is conducted Monday thru Friday from 9:00 AM to 11:30 AM. For the first week only a 12:30 50 3:00 session will be held.

The registration form should be completed and returned to Mrs. Robin Smith as soon as possible. The classes are filled on a first-come, first-serve basis beginning with the Lorain City Schools registration. Please fill out the attached form and mail to Mrs. Robin Smith at 505 Allison Ave., Lorain, Ohio 44052.

You will be contacted by telephone or email by Robin prior to the start of Safety Town as to the date your child is to attend. On your registration form, please select what week that you would prefer your child to attend and please select a second choice so that if your first choice is filled we can place the child in the second/next available opening. Robin will only contact those parents who submit a registration form with a valid and working telephone number or valid email address. If you do not have a telephone number, we will need a telephone number of a person who we can make contact with so that this information can be given to you.

Classes will be limited to 60 children per week. Again, this will be on a first-come, first-serve basis.

Safety Town will start on Monday, June 21<sup>st</sup>, 2010.

The Lorain Police Safety Town program is free of charge to all who attend. Only instructors and children will be allowed on the Safety Town course during the instruction periods.

For safety reasons, no open-toed shoes, (flip-flops), allowed. Please have your child wear a closed-toe shoe.

If you have any questions, please feel free to contact me at 440-204-2115.

Your cooperation is greatly appreciated.

Officer Rick Soto  
Lorain Police Safety Town/Traffic Division
