City Hall 5<sup>th</sup> Floor  
Lorain, OH 44052  
(440)204-2020*

## **CR-05 - Goals and Outcomes**

### **Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

In PY2014, the City of Lorain ("City") proposed activities which focused on the improvement of targeted neighborhoods through targeted codeenforcement and home rehabilitation; homebuyer assistance; assisting homeless and those at-risk of homelessness, and investments in public facilities and improvements.

Goals pertaining to home rehabilitation, homebuyer assistance and assisting homeless and those at-risk of homeless, fell below expected goals. This can be attributed to several factors, which includes: lack of interest from organizations seeking to work as subrecipients in carrying out programs; current staff capacity, and resources. Moving forward, the City will review these programs to better align with the available resources and needs of the jurisdiction.

In January 2014, the City implemented Point of Sale inspections, which required that single family residential properties, obtain compliance with the City's property maintenance code prior to the sale of transfer. Of the more than 840 Point of Sale inspections; more than 600 inspections occurred in targeted areas and Census Tracts with greater than 51% LMI residents. The implementation of the Point of Sale ordinance, assisted in increasing conditions of homes prior to transfer, and furthered the goal of providing a more suitable living environment for new homeowners within the City of Lorain.

### **Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)**

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete
Acquisition/Rehabilitation of Distressed Property	Suitable living environment		Homeowner Housing Rehabilitated	Household Housing Unit	25	2	8.00%			
Elimination of Distressed Properties	Distressed Properties	CDBG: \$120000	Homeowner Housing Added	Household Housing Unit	10	0	0.00%			
Elimination of Distressed Properties	Distressed Properties	CDBG: \$120000	Homeowner Housing Rehabilitated	Household Housing Unit	56	0	0.00%			
Elimination of Distressed Properties	Distressed Properties	CDBG: \$120000	Direct Financial Assistance to Homebuyers	Households Assisted	10	0	0.00%			
Elimination of Distressed Properties	Distressed Properties	CDBG: \$120000	Buildings Demolished	Buildings	200	0	0.00%	12	0	0.00%
Homeless Prevention	Homeless		Tenant-based rental assistance / Rapid Rehousing	Households Assisted	50	0	0.00%			
Public Improvements	Non-Housing Community Development	CDBG: \$220000	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit	Persons Assisted	500	0	0.00%	3500	57865	1,653.2
Public Improvements	Non-Housing Community Development	CDBG: \$220000	Buildings Demolished	Buildings	12	0	0.00%			

Rapid Rehousing	Homeless	HOME: \$100000	Tenant-based rental assistance / Rapid Rehousing	Households Assisted	20	0	0.00%	30	0	0.00%
Rapid Rehousing	Homeless	HOME: \$100000	Homelessness Prevention	Persons Assisted	30	0	0.00%			
Targeted Code Enforcement	code enforcement		Housing Code Enforcement/Foreclosed Property Care	Household Housing Unit	1500	667	44.47%			

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

**Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

1. The City of Lorain identified Public Facilities, Infrastructure Improvements, Public Service Needs, Economic Development Needs, and Other Community Development Needs in the Five-Year Consolidated Action Plan. ED continues to be emphasized in order to provide employment opportunities for the City's LMI citizens. The consistently higher unemployment rate in the City of Lorain, as compared to the State of Ohio and the US as a whole, has made it clear that the residents of Lorain are experiencing difficulty finding jobs. In addition, the businesses that are leaving the City are reducing the number of jobs available to our residents.

In January 2014, the City implemented Point of Sale inspections, which requires that single family residential properties, obtain compliance with the City's property maintenance code prior to the sale or transfer. Of more than 840 POS inspections; more than 600 inspections occurred in targeted areas and Census Tracts with greater than 51% LMI residents. The enforcement of the POS ordinance, assisted in increasing conditions of homes prior to transfer, and furthered the goal of improving home values and providing a more suitable living environment for new homeowners within the City.

All activities that the City has undertaken have fit within the Priority Community Development Needs identified in the Five-Year Consolidated Plan. The City at no time hindered, by action or willful inaction, the implementation of the Consolidated Plan. Since the City receives less than \$1,300,000 in Block Grant funds in a program year, the needs existing in the community require the City to place emphasis on those priorities

that will provide the most benefit.

B. The City has not modified its Priority Community Development Needs as addressed in its Five-Year Consolidated Plan.

c. The City, as stated in previous sections, pursued and leveraged additional funds to assist in the implementation of the goals and objectives of the Consolidated Plan. The City of Lorain has pursued and will continue to pursue all available resources indicated in the Consolidated Plan. Each One-Year Consolidated Plan contains required certifications to Affirmatively Further Fair Housing, compliance with the acquisition and relocation requirements, drug free workplace, anti-lobbying, authority of jurisdiction, consistency with plan, and compliance with Section 3 of the Housing and Urban Development Act of 1968 and implementing regulations 24 CFR Part 135. Also included with every submission of the One-Year Consolidated Plan are specific CDBG certifications. The City is in full compliance with 24 CFR 91.105, and Community Development Plan (use of funds), anti-discrimination laws, and lead based paint regulations. Further narrative of item (1) can be found in section 1.f, item (2) can be found in section 1.b and 1.c, and item (3) can be supported by the data provided in this document.

d. In 2014 the City provided, in a fair and impartial manner, requested certifications of consistency for HUD programs to the following non-profit organizations:

1. LMHA Projects – family self-sufficiency, HCV program, shelter plus care, 1yr plan, resident opportunity program
2. YWCA—for supportive housing through the WISH Program
3. Lorain Metropolitan Housing Authority – in support of funding for comprehensive neighborhood planning for the South Lorain neighborhoods.
4. LMHA Projects – in support of its 5 Year Plan, Annual Plan and Capital Funds project

e. There were no activities undertaken by the City of Lorain's Building, Housing and Planning Department that did not address at least one of the National Objectives when using CDBG funds.

## CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

91.520(a)

	CDBG	HOME
White	0	2

Ward 1 LMI	26		
Ward 2 LMI	24		
Ward 3 LMI	26		
Ward 5 LMI	18		

Table 4 – Identify the geographic distribution and location of investments

### Narrative

No projects were administered during the 2014 program year, due to an emphasis being placed on restructuring the department. The planned percentage represents an allocation to those areas considered the most distressed by both local, state and federal definitions, as well as independent studies conducted, inclusive of the Vacant Property Study of 2013.

## Leveraging

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

The City of Lorain receives Federal funding for housing and community development activities primarily through the U.S. Department of Housing and Urban Development (HUD) programs, which include the Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) programs available, the City will work cooperatively with eligible applicants to obtain such funding. In PY14, funds were not utilized to leverage local, state and private funds within the jurisdiction. The City will utilize the regulations found at 570.201 (g) as it relates to match.

Public land was not utilized during the program year to address the needs identified in the plan.

<b>Fiscal Year Summary – HOME Match</b>	
1. Excess match from prior Federal fiscal year	0
2. Match contributed during current Federal fiscal year	0
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	0
4. Match liability for current Federal fiscal year	0
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	0

	One-Year Goal	Actual
Number of households supported through Rental Assistance	30	0
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	65	1
Number of households supported through Acquisition of Existing Units	0	0
<b>Total</b>	<b>95</b>	<b>1</b>

Table 12 – Number of Households Supported

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

The City encountered various difficulties as it pertains to obtaining the goals set in PY14. The issues encountered were due to limited staff capacity experienced during the initial restructuring of the department, and the updating of programs and services both offered and provided by the Department of Building, Housing, and Planning.

During the program year, it was discovered that inconsistencies existed in some programs, and guidelines needed to be updated to reflect the current regulations required by HUD. Since this time, many if not all of the city's programs have been restructured; staff have been either trained or hired; and the City has worked with HUD provided Technical Assistance to address concerns moving forward.

**Discuss how these outcomes will impact future annual action plans.**

Future annual action plans will continue to focus on the mutual priorities as determined by the City and its residents. In PY15, the City will seek to contract with a qualified vendor to assist in creating both the Annual and Five Year Action plans.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

<b>Number of Persons Served</b>	<b>CDBG Actual</b>	<b>HOME Actual</b>
Extremely Low-income	0	0
Low-income	0	0
Moderate-income	0	0
<b>Total</b>	<b>0</b>	<b>0</b>

**Table 13 – Number of Persons Served**

### **Narrative Information**

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The City of Lorain has been working with the Lorain County Homeless Taskforce and its members to look at creative methods to leverage the City's resources to develop additional types of housing to prevent homelessness, and to assist more families with emergency shelter and/or transitional housing. In addition, the City revamped its Emergency Rental Assistance and Security Deposit programs to develop a more streamlined Tenant Based Rental Assistance program.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

In 2014, the City of Lorain supported a number of the housing efforts of the Lorain Metropolitan Housing Authority, the public housing authority that provides publicly subsidized housing and Housing Choice Voucher subsidies to very-low and low-to moderate-income households throughout Lorain County including a substantial number in the City of Lorain.

1. Shelter Plus Care Renewal Grant—through the Ohio Continuum of Care; provides housing for 65 persons who are severely mentally ill, are chronic substance abusers or are dual diagnosed. Forty-nine of these units will be in the City of Lorain.
2. Residential Opportunities and Self Sufficiency – a HUD funded economic and self sufficiency program for all public housing residents that includes job training, after-school activities, neighborhood networks, English as a second language and child care.
3. Family Self Sufficiency for resident families at five (5) of LMHA's multifamily complexes including three (3) in the City of Lorain.

- Nativity Manor – LIHTC Senior Housing Project

The City of Lorain, via City Council and the Mayor's office, supported the LIHTC application for tax credit equity funding of the Nativity Scattered Sites Project, an 18-unit Lease-Purchase Housing Project, in 2005. This \$3.2 million dollar project was approved by the Ohio Housing Finance Agency (OHFA) in May 2005. Catholic Charities Housing Corporation acquired the 18 parcels (seven of which were purchased from the City's land bank) during 2005. Housing construction began in 2006, with 17 houses completed. The 18th house was completed in 2007 and all of the houses were leased by late spring of 2007 and continued to have nearly 100% rent-up through 2012.

- The Neighborhood House Alliance (NHA)

The Neighborhood House Alliance operates a 68-bed homeless shelter in a South Lorain neighborhood. Haven Center, as it is known, provides temporary housing and access to social services within the City.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The City and its various partners are aggressively addressing assisting homeless persons whom are chronically homeless including veterans and their families. LMHA utilizes VASH vouchers to assist those who have served in the military and assist them with obtaining a suitable living environment. In addition, Family and Community Services of Portage County operate the Lorain Valor Home, which provides a thirty bed transitional housing for homeless veterans, as well as substance abuse and employment training.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

A key component of the City's homeless strategy is to support critical housing and service activities of the Lorain County Continuum of Care for the homeless. The City of Lorain participates with the Lorain County Continuum of Care Committee, a countywide consortium of homeless housing and service

providers, city and county governments, agency representatives and the former homeless. The Committee's goal is to establish a cooperative effort leading to the development of a continuum of housing and services for the homeless and to create supports to prevent at-risk populations from becoming homeless.

In order to expand and improve the services offered to homeless individuals and families in Lorain, the City encourages local providers to seek funding opportunities at the Federal, State and local levels. If, during the upcoming year, additional funds for homeless assistance and prevention become available, the City will work cooperatively with eligible applicants to obtain such funding.

Tough economic times has fostered an increase of at-risk homelessness among families above those normally served by programs in the Lorain County Continuum of Care (<50% area median income (AMI)). Previously, the City of Lorain had two (2) programs to complement the Continuum of Care programs for renters; (1) the Emergency Rental Assistance Program, which provides one-time rental assistance to at-risk households (80% or less of AMI), and (2) the Security Deposit Assistance Program, which offers a one-time loan to potential renters (80% or less of AMI) to secure rental housing a more efficient/suitable location, in order that they may better serve their clientele.

In 2014, the City lowered the income levels to 50% or less of the AMI and combined both the ERA and SDA programs into one Tenant Based Rental Assistance Program.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

Public Housing needs are primarily addressed by the local PHA, Lorain Metropolitan Housing Authority. In PY14, the city and LMHA again collaborated on a comprehensive neighborhood plan and grant application towards the Southside Gardens Project.

Currently, the City has 1,132 public housing units in its jurisdiction, with plans by the local PHA to add additional units in the future.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

The City has worked to further its collaboration with the local public housing authority, Lorain Metropolitan Housing Authority (LMHA), to assist public housing residents to participate in homeownership. In PY14, the City proposed collaboration with LMHA residents, to provide down-payment assistance to those seeking homeownership in the City of Lorain. Interested homebuyers were to complete homebuyer training, and funds were to be provided as grants, forgivable over a four (4) year period, with the fifth and remaining year remaining as a lien and payable upon the sale or transfer of the property.

### **Actions taken to provide assistance to troubled PHAs**

This section is not applicable as Lorain Metropolitan Housing Authority is not considered a troubled PHA.

### **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

The City has no major growth controls or excessively restrictive zoning regulations that would inhibit the construction of affordable housing. The minimum lot size, minimum setback and maximum building height requirements in each residential zoning category are reasonable and aimed at ensuring the public's health and safety. If there is a need to depart from the established guidelines, the Lorain City Planning Commission will continue, as it has done in the past, to review individual cases in order to determine whether or not a variance is warranted. The City of Lorain will also continue, during the upcoming year, to require multiple reviews of plans for new construction and additions due to State codes and laws that require proper reviews of this nature.

The permit and user fees charged by the City are considered to be average for cities the size of Lorain. Further, the building permit fees are required by local ordinance to fund the Building Department's inspection program. In certain older neighborhoods where construction of affordable infill housing is being actively encouraged, City Council has seen fit to reduce permit and user fees by one half as an additional incentive for construction of such housing. Fees have been waived in the past in support of non-profit infill housing projects and other City sponsored rehabilitation.

In an attempt to promote revitalization of areas in the City where investment has been minimal, the City of Lorain's Community Reinvestment Area (CRA) tax abatement program was instituted. The City offers real property tax abatements for 10 or 15 years for any increased property valuation that would result from improvements to the property in the form of new construction or rehabilitation. Currently, there are five "community reinvestment areas" identified in the City, which cover most of the older residential areas in Lorain. The City will continue to encourage the construction and rehabilitation of affordable housing in these areas by actively promoting its CRA program.

### **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

The main obstacles to meeting underserved needs are: 1) Lack of funding; 2) Lack of adequate staffing and funding for overhead costs to take on any new activities; and 3) Lack of expertise on the part of agencies to carry out the activities

The City will continue to seek more funding sources and improve staffing in order to provide the

necessary programs to help meet the needs to the community. Two (2) housing inspectors will be hired in 2015 along with a Program Manager who will implement these programs. Continuing to restructure programs in order to make them more effective for todays economic and those most adversely affected by the economy.

**Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

**Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

The Federal government defines poverty levels annually by household size and income. The 2014 Federal Poverty Level Guidelines show that a family of four with an annual household income of less than \$23,850 is considered to be living below poverty. According to the 2009-2013 American Community Survey, approximately 30% of the City of Lorain's total population had incomes that were below the poverty level, as compared to 15.4% for the nation as a whole.

**2014 HHS Poverty Guidelines**

<b>Persons in Family or Household</b>	<b>48 Contiguous States and D.C.</b>
1	\$11,490
2	15,510
3	19,530
4	23,550
5	27,570
6	31,590
7	35,610
8	39,630
For each additional person, add \$4,020	

**SOURCE:** *ASPE.hhs.gov*

The City of Lorain supports County and State efforts to move low-income persons to economic self-sufficiency or to a maximum level of economic independence.

**Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The City has identified various entities from the public, nonprofit and private sectors that will be institutionally involved in the implementation of the Consolidated Plan. In order to improve the housing and community development delivery system in Lorain, better coordination between the public, nonprofit and private agencies will be required. The programs and services that exist and that are available to residents in Lorain are extensive and varied. The City and the agencies identified exhibit a commitment to providing these services.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

The Lorain Metropolitan Housing Authority (LMHA) maintains and operates hundreds of units of subsidized housing in Lorain County. Although funding for public housing authorities may be reduced, it is anticipated that LMHA will still be awarded a significant amount of Federal funds to provide housing-related activities, such as rental assistance, rehabilitation and new construction, for low-income persons in Lorain. The City has renewed its partnership with LMHA as it seeks to assist with the Southside Gardens redevelopment project and assist in moving residents from rental to homeownership.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

The Lorain Fair Housing Board, through its fair housing services contractor, the Lorain County Urban League, is involved in educational activities that include providing prospective home buyers and renters of their rights under the local ordinance, as well as State and Federal statutes. Another component of their program is the training of the Fair Housing Board members about the laws applicable to fair housing.

Due to a change in programmatic offerings provided by the Lorain County Urban League, the City has chosen to move its Fair Housing services in-house and will take a more aggressive approach to its outreach as it relates to matters regarding Fair Housing.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

The City will continue to follow HUD regulations as it relates to the management of monitoring activities. The Department of Building, Housing and Planning will seek to implement a yearly inspection program, in collaboration with the City's Health Department, to monitor HOME and CDBG assisted properties.

The City of Lorain uses the subrecipient agreement as the basis for clarifying the subrecipients' responsibilities for using Federal funds. Below is the standard language that the City uses within its subrecipient agreements to inform the subrecipient of the City's intent to monitor the use of funds.

The City has taken many steps to attract minority and woman contractors to participate in its programs. The City has sent letters and bid opportunities to certified MBE and WBE contractors in the Lorain area inviting them to contact the Department of Building, Housing and Planning and participate in the City's housing rehabilitation programs. The Building, Housing and Planning Department continues to use public bid boards. Also, bid packets are sent to MBE and WBE contractors on behalf of the homeowners receiving rehabilitation loans from the City, either in digital or hard-copy format. Further, in an attempt to attract more contractors, in general, to participate in this program, the City also advertises in the Morning Journal, a local newspaper of general circulation, and on the City's website ([www.cityoflorain.org](http://www.cityoflorain.org)), asking contractors to contact the City if they are interested. The City plans to continue to reach out to the minority and women contractors in the Lorain area in order to obtain increased participation in the City's programs and projects, including all HOME activities. On December 16, 2013, City Council passed ordinance 244-13 establishing a Section 3 Plan and Policy for the Department of Building, Housing and Planning and looks for further collaboration on Section 3 with its local housing authority by combining outreach efforts.

## **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.** Citizen participation was sought via solicitations in both the paper of largest circulation, the Morning Journal and for the first time in La Prensa, Ohio's largest Latino weekly. Attendees were requested to sign-in to provide data backup documentation regarding the areas in which future outreach is required. Two (2) public meetings were held. One on June 30, 2014, which had 10 persons in attendance, and another meeting was held on August 4, 2014, which also had 10 persons in attendance. The people in attendance were encouraged to share the meeting information with their friends and neighbors in order to create more interest in attending the public meetings.

**CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

There were no changes in the City's program objectives for PY14. Moving forward, the City will take a more active and aggressive approach in addressing homelessness by building stronger relationships with local social service agencies and other nonprofits; public and private foundations; and the business community.

The City has taking a strong look at Salt Lake City, Utah's Housing First model as guidance towards future ways in which we are seeking to combat homelessness, and is working with local entities to see this to fruition.

<b>Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?</b>	No
--	----

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

## **CR-50 - HOME 91.520(d)**

**Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations**

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

During PY14, the City provided no funds towards affordable rental housing that required inspection.

## **Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)**

Affirmative Marketing guidelines pursuant to 24 CFR 92.351 under the HOME Program continue to be followed in the City of Lorain.

It is clearly stated that as part of the commitment of City of Lorain HOME Subrecipient Funds to these projects, the City of Lorain, and its subrecipients must meet the affirmative marketing procedures (outlined in the HOME Program Guidelines) to inform and attract all eligible and interested applicants for affordable housing projects regardless of race, creed, color, sex, national origin, religion, familial status, or disability.

## **Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics**

The City utilized no program income for projects in PY14, and thus has no owner and tenant characteristics to provide.

## **Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing).**

**91.320(j)** Affordable Housing: Overall, the City of Lorain is committed to expanding affordable housing opportunities for its residents, and works continuously in cooperation with the City Planning Commission and City Council to remove barriers to affordable housing. The City encourages creative housing development proposals and innovative financing techniques aimed at increasing the supply of affordable housing units such as the use of State and Federal Historic Tax Credits, New Market Tax Credits and down payment assistance coupled with homeowner education. In 2015 the city will provide bilingual publications explaining its various programs, as well as conduct outreach through targeted groups e.g. Coalition for Hispanic/Latino Issues in Progress (CHIP), Lorain Branch of the NAACP, El Centro de Servicios Sociales, and Lorain Negro Business and Professional Women's Organization (NBPWO) to

name a few.

The Health Department provides the Department of Building, Housing and Planning with an updated list of lead-based paint risk assessments in housing units on a quarterly basis. This information is used to ensure that there are no inadvertent lead hazards created by the City. The City is sending staff from the Building Department and Health Department to classes that will prepare them for, or help them to maintain, State certification as lead risk assessors.
